

*Do you have a loved one who is frustrated with their teeth,*

*Dental  
Home Health*  
(219) 718-6684

*but physically can't get out of the house?*

- Have they stopped wearing their ill-fitting dentures?
- Do they have several teeth missing?
- Do they have a gum infection?
- Are they experiencing toothaches?
- Have they stopped eating the foods they love?

*Don't let them  
suffer any longer!  
Call  
Today*

**We will come to their home, residential facility,  
rehabilitation center, hospital, and retirement community.**

"I didn't have to leave my room. He came to my house. He checked my teeth one by one. He does a wonderful job. It was very convenient for me. He brings his equipment, and all you have to do is sit there." ~ Irene B.

**Smiles within reach.**

Our goal is to bring excellent dental care to anyone unable to access it conventionally.

**Visits by appointment only.**
